

Committee Name: Downtown Parking Advisory Committee

Committee Charge: The Committee shall act in an advisory capacity to the Loveland City Council and shall assist Council by making recommendations regarding the implementation of the City's downtown parking policies and plans.

Committee Objectives:

- Enhance transparency of decision-making and outcomes
- Provide an avenue for ongoing stakeholder input and involvement in parking decisions that affect the public
- Help educate the public about parking issues
- Provide suggestions for enhancements of downtown parking systems
- Make downtown more convenient and accessible for the customers and visitors

Duties: The Committee's primary duties include: (1) assist staff in implementing the Downtown Parking Plan for the City of Loveland; (2) monitor the implementation and success of such plan and to make recommendations to the City; (3) On a quarterly basis, or as otherwise requested by Council, provide an accounting of the Committee's activities with respect to its activities before City Council.
