

Notice of Intent to Apply For Funding

City of Loveland

The City of Loveland has authorized the submittal of an Ohio Department of Natural Resources NatureWorks grant application to replace the play-set at McCoy Park located on Oak Street. The proposed project includes the replacement of the existing play-set, installation of a concrete sidewalk and ADA ramp, wood fiber play area and site furnishing. The total cost of the project is \$48,440. The application would include a grant request of \$36,328 with the City supplying a local match of \$12,112.

To comment on the proposed project, please contact the City Manager at 513-707-1454 or attend the May 24, 2016 Council meeting at 7:00 PM at 120 W. Loveland Avenue.
